

**Advanced Mission Planning Solution (AMPS)
End User License Agreement**

Limited License. Subject to the terms, conditions and restrictions herein, Tradecraft Technologies grants a perpetual software use license which provides limited, non-transferrable, and non-exclusive rights to use the accompanying Advanced Mission Planning Software (AMPS) ("Software") and related documentation, upgrades, modifications, and updates. This agreement is made available to you only, and for use on the number of internal computer systems and system users as permitted by [Program Name] under [Contract #]. Except as provided in any additional license terms which apply to a Tradecraft Technologies software product, you may not separate component parts of the Software product from use on more than one device nor move the Software from a Tradecraft Technologies Hardware product to a non-Tradecraft Technologies Hardware product. Resale, re-license, assignment, transfer, leasing, renting, lending, distributing, sublicensing or time-sharing of the Software or any rights granted pursuant to this License Agreement is expressly prohibited except as expressly provided. Except as expressly provided herein, this License Agreement does not grant any other rights in respect to the Software and no other licenses of any kind are granted hereunder, whether by implication, estoppel, course of conduct or otherwise.

Transfers. a. Third Party. Only when expressly provided authorization to transfer the Software, the initial end user who has purchased the Software from Tradecraft Technologies may transfer the Software to a bona fide end user. Bona fide end users may make subsequent transfers only to other bona fide end users under the terms of this EULA. Any transfer must include all Hardware component parts, Software, media, printed materials, this EULA and any additional license terms which apply to the Software including Freeware terms, and, if applicable, the Certificate of Authenticity. The transfer may not be an indirect transfer, such as a consignment, or sale of Tradecraft Technologies Hardware products through any party who is not a Tradecraft Technologies-authorized reseller. Transfer of Tradecraft Technologies Software to or through any party except a bona fide end user voids any Software warranty to the extent allowed by law. Prior to the transfer, the end user receiving the transferred product must agree to all the EULA terms in writing. Upon transfer of the Software, your license is automatically terminated.

b. Except as otherwise permitted in this EULA, you may not (and may not permit or encourage any third party to): (i) copy, duplicate or otherwise reproduce the Software in any manner; (ii) distribute, network, sublicense, lease, rent, loan, assign, convey or otherwise transfer the Software (or any copy or component thereof) or any rights thereto to any third party; (iii) remove, alter or obscure any product identification, trademark, copyright, confidentiality, proprietary or other notices or legends contained on or within the Software; (iv) use the Software for time-sharing or service bureau purposes or in any other manner not expressly permitted hereunder; (v) incorporate the Software (or any copy or portion thereof) into any of your products; or (vi) modify or disable Software licensing mechanisms for any reason.

Copy Restrictions. The Software may be copied only as necessary (a) to read the Software from the media into the memory of a computer solely for the purpose of executing it on a single machine (whether a stand-alone computer or a workstation of a multi-terminal system), and (b) for backup or archive purposes in support of your use of the Software as permitted hereunder. No proprietary,

copyright, confidentiality or other notices or legends appearing on the Software may be removed and all such notices and legends must be reproduced and included on any copies of the Software that you make.

Term and Termination. This License Agreement is effective until terminated, provided that all provisions related to proprietary rights of Tradecraft Technologies and disclaimers of warranties and limitations of liability shall survive such termination. You may terminate this License Agreement at any time by destroying the Software and documentation, together with all copies and merged portions in any form, and notifying us that you have done so. Except as provided under the “Exclusive Remedy; Limitation of Liability” section below or as Tradecraft Technologies may otherwise expressly agree in writing, termination shall not entitle you to a refund of any payments made.

Ownership of Software. You acknowledge and agree that the Software and the structure, sequence and organization of the Software are valuable trade secrets of Tradecraft Technologies and its licensors and that the Software contains confidential and proprietary information and is protected by U.S. copyright laws and international treaty provisions. You agree to use at least the same care and precaution in protecting such trade secrets and confidential and proprietary information as you use to protect your own trade secrets and confidential and proprietary information, and in no event less than reasonable care. You further acknowledge and agree that Tradecraft Technologies and its licensors hold world-wide ownership of, and all right, title and interest in and to, the Software and all portions and copies thereof regardless of the form or media. Tradecraft Technologies and its licensors hold, reserve and retain exclusively all right, title and interest in all intellectual property rights embodied in and to the Software, including but not limited to copyrights, patent rights, trademark rights, trade secret rights, inventions and other proprietary rights therein and thereto. The Software is licensed, not sold.

No Reverse Engineering, Modification or Decryption. Reverse engineering, reverse compiling, reverse assembly, decompiling, disassembly, adaptation, translation, and other attempts to reconstruct, discover or derive the source code or underlying ideas, algorithms, programming sequences, methodologies, techniques, structure or organization of the Software are expressly prohibited. You may not modify or create any derivative works of the Software. You may not make any attempt to unlock or bypass any initialization system, or system designed to control use, or encryption techniques utilized by the Software.

Limited Warranty. Unless expectedly described under a Software Maintenance and Warranty agreement, Tradecraft Technologies warrants for a period of ninety (90) days from the date of delivery of the Software that: (a) the media containing the Software will be free from defects; and (b) if not modified and if properly installed and used, the Software will materially conform to the specifications set forth in the Documentation. Such warranties are for the benefit of the original purchaser of the Software only and are non-transferable. EXCEPT FOR THE EXPRESS WARRANTIES STATED ABOVE IN THIS PARAGRAPH, THE SOFTWARE IS LICENSED “AS IS”. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRADECRAFT TECHNOLOGIES HEREBY SPECIFICALLY EXCLUDES AND DISCLAIMS, AND YOU HEREBY EXPRESSLY WAIVE, ANY AND ALL OTHER WARRANTIES, REPRESENTATIONS, CONDITIONS OR COVENANTS, EXPRESS OR IMPLIED, WRITTEN OR ORAL, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT, AND ANY WARRANTY THAT MAY ARISE BY REASON OF TRADE USAGE, CUSTOM OR COURSE OF DEALING. TRADECRAFT TECHNOLOGIES AND ITS LICENSORS SPECIFICALLY DO NOT WARRANT THAT THE SOFTWARE WILL OPERATE UNINTERRUPTED OR ERROR FREE OR THAT THE SOFTWARE WILL MEET YOUR REQUIREMENTS.

Exclusive Remedy; Limitation of Liability. The sole and exclusive remedy of the original purchaser of the Software, and Tradecraft Technologies' sole and exclusive obligation and liability, with respect to any breach of the express warranties set forth in the paragraph above shall be: (a) in the case of media defect, to provide non-defective replacement media containing the Software, or (b) in case of the other express warranty in the paragraph above, to use commercially reasonable efforts to correct such material non-conformance, or if such correction is not reasonably feasible in Tradecraft Technologies' opinion, to refund any pre-paid Software license fee upon return of the Software and destruction of all remaining copies. You agree to report any material non-conformance in the Software to Tradecraft Technologies and provide Tradecraft Technologies with all available information in written or electronic form so as to enable Tradecraft Technologies to reproduce any reported non-conformance. The limited warranty set forth in the paragraph above and the remedy provided for in this paragraph are void if the media defect or material non-conformance has resulted from accident, abuse, or misapplication by you. YOU ASSUME THE ENTIRE RISK AS TO RESULTS AND PERFORMANCE OF THE SOFTWARE. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL TRADECRAFT TECHNOLOGIES, ITS LICENSORS OR THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AGENTS AND REPRESENTATIVES, OR ANYONE ELSE INVOLVED DIRECTLY OR INDIRECTLY IN CREATING, PRODUCING OR DELIVERING THE SOFTWARE, HAVE ANY LIABILITY WHATSOEVER FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES OF ANY KIND OR NATURE ARISING FROM OR IN CONNECTION WITH THIS LICENSE AGREEMENT, THE SOFTWARE, OR THE USE, INABILITY TO USE, PERFORMANCE OR NON-PERFORMANCE OF THE SOFTWARE, INCLUDING WITHOUT LIMITATION, LOST GOODWILL, LOST PROFITS, LOSS OF USE, WORK STOPPAGE, IMPAIRMENT OF GOODS, BUSINESS INTERRUPTION, OR LOSS OF DATA OR SOFTWARE, REGARDLESS OF HOW THE CLAIM AROSE, INCLUDING BUT NOT LIMITED TO NEGLIGENCE, MISTAKES, OMISSIONS, VIRUSES, FAILURES, DELAYS OR INTERRUPTIONS, AND REGARDLESS OF ANY THEORY OF LIABILITY, WHETHER BASED IN BREACH OF WARRANTY, CONTRACT, TORT, NEGLIGENCE, PRODUCT LIABILITY, STRICT LIABILITY, OR OTHERWISE, AND EVEN IF SUCH PERSON WAS AWARE THAT SUCH DAMAGES COULD ARISE. IN ADDITION, IN NO EVENT SHALL TRADECRAFT TECHNOLOGIES'S TOTAL LIABILITY RELATING TO OR IN CONNECTION WITH THIS LICENSE AGREEMENT OR THE SOFTWARE EXCEED THE ACTUAL AMOUNT OF THE INITIAL LICENSE FEE PAID TO TRADECRAFT TECHNOLOGIES FOR THE SOFTWARE GIVING RISE TO THE LIABILITY, NOR SHALL TRADECRAFT TECHNOLOGIES BE LIABLE FOR THE COST OF PROCUREMENT OF SUBSTITUTE SOFTWARE OR SERVICES, REGARDLESS OF HOW THE CLAIM AROSE, INCLUDING BUT NOT LIMITED TO NEGLIGENCE, MISTAKES, OMISSIONS, VIRUSES, FAILURES, DELAYS OR INTERRUPTIONS, AND REGARDLESS OF ANY THEORY OF LIABILITY, WHETHER BASED IN BREACH OF WARRANTY, CONTRACT, TORT, NEGLIGENCE, PRODUCT LIABILITY, STRICT LIABILITY, OR OTHERWISE, AND EVEN IF TRADECRAFT TECHNOLOGIES WAS AWARE THAT SUCH DAMAGES COULD ARISE. THE FOREGOING LIMITATIONS SHALL APPLY REGARDLESS OF WHETHER SUCH DAMAGES WERE REASONABLY FORESEEABLE, REGARDLESS OF WHETHER TRADECRAFT TECHNOLOGIES HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND REGARDLESS OF WHETHER ANY REMEDY FAILS ITS ESSENTIAL PURPOSE. NO ACTION OR CLAIM RELATING TO THIS LICENSE AGREEMENT OR THE SOFTWARE MAY BE INSTITUTED MORE THAN SIX MONTHS AFTER THE EVENT GIVING RISE TO SUCH CLAIM.

Third Party Software. TRADECRAFT TECHNOLOGIES SOFTWARE MAY INCLUDE OR BE BUNDLED WITH THIRD PARTY SOFTWARE, THE USE OF WHICH MAY BE GOVERNED BY SEPARATE LICENSE TERMS, CONDITIONS AND/OR DISCLAIMERS. THIS LICENSE AGREEMENT SHALL NOT BE DEEMED TO APPLY TO ANY THIRD-PARTY SOFTWARE THAT IS INCLUDED IN OR WITH THE TRADECRAFT TECHNOLOGIES SOFTWARE BY WHATEVER MEANS IF THE USE OF SUCH SOFTWARE IS SUBJECT TO SEPARATE LICENSE TERMS, CONDITIONS AND/OR DISCLAIMERS. SUCH THIRD-PARTY SOFTWARE IS INCLUDED OR PROVIDED

WITHOUT ANY WARRANTY FROM TRADECRAFT TECHNOLOGIES, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON- INFRINGEMENT.

Government Restrictions. You agree that you will not export or re-export the Software or any products utilizing the Software without Tradecraft Technologies' prior written consent, and then only in compliance with all requirements of applicable law including but not limited to local and US export control regulations. The Software is deemed to be "commercial computer software" and "commercial computer software documentation," respectively.

General. This License Agreement shall be governed by, and construed in accordance with, applicable federal law. The United Nations Convention on Contracts for the International Sale of Goods (1980) is hereby excluded in its entirety from application to this License Agreement. This License Agreement sets forth the entire understanding and agreement between you and Tradecraft Technologies and supersedes all prior agreements, whether written or oral, with respect to the subject matter hereof. If any provision hereof shall be held illegal, invalid or unenforceable, in whole or in part, such provision shall be modified to the minimum extent necessary to make it legal, valid and enforceable, and the legality, validity and enforceability of all other provisions of this License Agreement shall not be affected thereby. No delay or failure by Tradecraft Technologies to exercise or enforce at any time any right or provision hereof shall be considered a waiver thereof, or of Tradecraft Technologies' right thereafter to exercise or enforce each and every right and provision of this License Agreement. A waiver or amendment or other modification hereto shall be effective only if it is in writing and signed by an authorized representative of Tradecraft Technologies. No single waiver shall constitute a continuing or subsequent waiver. This License Agreement shall be binding on the parties and their successors and permitted assigns. For future reference, a copy of this license may be found in the doc directory where the Software is installed.
